ONE WEEK ONLY

September 8th to 15th

ONE WEEK ONLY

## SAVE \$8.00

As a special inducement during our demonstration week only, with every MAJESTIC RANGE sold (prices always the same) we will give free one handsome set of ware as illustrated here.

Every piece of this ware is the best of its kind. Not a piece that is not needed in every kitchen. It can not possibly be bought for less than \$8.00. This ware is on exhibition at our store. DON'T FAIL TO SEE IT.

### WHICH SHALL IT BE?

Do you intend to continue laboring, burning valuable fuel and destroying high-priced food with that old worn-out cookstove? You KNOW that old stove eats up a lot of fuel each year.

You KNOW you have trouble in getting it to bake just right, in fact, spoil a batch of bread every once in a while—you know it costs considerable for yearly repairs.

Stop and think and figure. Wouldn't it pay you to buy a good range—a range with a reputation?

### THE GREAT MAJESTIC MALLEABLE IRON AND CHARCOAL RANGE

You make no mistake in buying the GREAT MAJESTIC—it's the range with THE REPUTATION—ask your neighbors. Then, too, it's made just right and of the right kind of material—MALLEABLE AND CHARCOAL IRON—riveted together practically air tight—lined with pure asbestos board—parts being malleable can't break—has a movable reservoir and an oven that don't warp—that's why the MAJESTIC uses so little fuel, bakes just right every day in the year (throws bread just right all over without turning), heats 15 gallons of water while breakfast is cooking—properly handled lasts a lifetime, and costs practically nothing for repairs.

Don't buy the range you expect to last a lifetime "sight unseen", you'll be sure to be disappointed. Come to our store during demonstration week, see the GREAT MAJESTIC—have its many exclusive features explained—find out why the MAJESTIC is 500 per cent stronger than other ranges where most ranges are weakest.

### Come, If You Intend to Buy or Not

EDUCATION lies in KNOWING THINGS—KNOW why the oven of a range is heated—KNOW how the water is heated—HOW the top is heated—WHY the MAJESTIC uses so little fuel—KNOW how a range is made inside and outside. This education may serve you in the future. DON'T OVERLOOK a chance to KNOW THINGS shown by one who knows. Come.

DON'T OVERLOOK THE DATE. THIS IS A SPECIAL INVITATION TO YOU AND YOUR FRIENDS AND NEIGHBORS

#### Safe to Love Them Then.

"I like dear little babies before they have learned to talk, don't you, Mr. Smythe?"  
"Indeed, I do! Before they have learned to talk there is no danger of their parents telling you the remarkable things they have said."

There is nothing more pitiful than a life spent in thinking of nothing but self.—Farrar.

#### Good Sitters.

Turkish women are said to have one accomplishment in which they excel the women of all other nationalities. They know how to sit. Hester Donaldson Jenkins calls attention to the fact that the Turkish verb to sit is used where occidentals would use to live, or stay, or visit. To the question, "Where are you living?" one gets the reply, "I am sitting in Stamboul." Or to the question, "Are you married?" the answer will be, "No, I am sitting at home." And when they sit they sit quietly. "In the perfect repose of a sleeping cat." They don't have to keep their hands busy. They don't crochet or knit. They just sit.

#### Redeemed Himself.

Sir Charles Napier had an effective method of dealing with cowards. On one occasion a flying soldier was stopped by his fellows, who were about to shoot him when the general intervened. "Give the man another chance," he ordered. "Place him in the front rank, and if he turns again let him be shot."

The man eagerly embraced this chance of life, overcame his fears and fought bravely for the rest of the day.

#### Humbled Her Pride.

"Where did you learn French?" a Parisian asked a New York woman traveling abroad.  
"From a native," was the proud answer.  
"Ah," said the Frenchwoman. "A native of what?"

#### A Modern Aesop.

As a Venerable Boa Constrictor was about to Narrate Some Reminiscences of his Youth, a pert young Chimpanzee remarked that "Snake Stories were an awful Bo." whereupon the Serpent did him in his Tail Endfold, saying that even Monkeys had their Place in the Economy of Nature.

Moral.—You should never sass a Person who has the Age on you.—Boston Herald.

#### American Literature.

American literature is on the whole idealistic, sweet, delicate, nicely finished. \* \* \* The notable exceptions are our most stalwart men of genius, Thoreau, Whitman and Mark Twain.—John Albert Macy in "The Spirit of American Literature."

#### Value of Humor.

The man who becomes a humorist is the man who contrives to retain a certain childlike zest and freshness of mind side by side with a large and tender tolerance.—Cornhill Magazine.

#### A Hard Worker.

"Is Dobbs a hard working man?"  
"I guess you can call him that. Any kind of work seems hard to him."—Birmingham Age-Herald.

#### Joining the Majority.

Remember when you get the worst of it that you have again switched over on the side of the majority.—Albany Journal.

## WISHED SHE COULD DIE

And Be Free From Her Troubles,  
but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.
